    class ScreenAdapter
    class EndingScreen["com.ychstudio.scenes.EndingScreen"]
    EndingScreen --|> ScreenAdapter
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'ScreenAdapter'. Below it is a larger box labeled 'com.ychstudio.scenes.EndingScreen'. A blue arrow points from the bottom of the 'com.ychstudio.scenes.EndingScreen' box up to the bottom of the 'ScreenAdapter' box, indicating that 'com.ychstudio.scenes.EndingScreen' inherits from 'ScreenAdapter'.
